Re: **United States v Henry P. Steeneck**

*07 CR 929*

Your Honor:

I write to report that I have learned from Mr. Steeneck's father that the shunt in his head is not functioning. I followed up with a call to Dr. Rosner's office and learned that they would like to schedule surgery for April 7, 2008 to replace the defective shunt. I asked the office personnel to provide a letter with the specifics including a schedule for the medical procedures. I have not received the letter as of this time. I apologize for the lateness of this letter but had hoped to have the letter from Dr. Rosner to attach. When I receive same it will be forwarded.

Sincerely,

  
Charles J. Diven, Jr., Esq.

*The Clerk is respectfully  
requested to docket this letter.*
